## 02.09. SUNDAY AFTERNOON

16:00 - 21:00

### Registration and Ice-Breaker

We will start the conference registration during the Ice Breaker event. For this, we have booked the 'MS Koi', a swimming first-class event location. During the cruise, finger-food and beverages will be served (included in the conference fee).

While cruising along the Kiel Fjord, hopefully enjoying a wonderful sunset, the trio 'Hightones' (Hamburg, Germany) will entertain us with a mixture of Swing, Latin and Rock'n'Roll rhythms. On board you will also meet our DJ Zee Wiese of HOTTA MUSIC SOUND. When the musicians of the 'Hightones' need a break for regaining new energy, Zee Wiese will ensure we keep on moving either slowly with nice lounge music in the background, or rather wild & crazy to hot dancing vibes. Zee Wiese will even accompany us during the Early Career Scientists Event and the Conference Dinner.

**IMPORTANT:** Please be at the pier on time (latest by 16:30), as the MS Koi will sail on schedule (17:00). Return is at 20:00, all participants must have left the vessel by 21:00. You will find the 'MS Koi' behind the Satori Speicher, close to the maritime museum.
